The SMARTS-UP program of the Université de Paris aims to promote the internationalization of Master’s courses and to attract the best foreign students. For 2021-2022, 120 grants of 8,000 € are available for incoming foreign students in the various Masters programs. The grants are awarded for one year. **Apply by January 16th 2022** at 5 pm at the latest! Check: [https://mobility.smarts-up.fr/](https://mobility.smarts-up.fr/)

**Conditions:**
- Students must be of foreign nationality and newcomers to a French university. Foreign students must not hold a French national higher education diploma
- Candidates with dual nationality, if they have French nationality, are not eligible.
- Students applying to the Master 1 program must hold a foreign degree equivalent to a French Licence.
- Students applying for a Master 2 must hold a foreign degree equivalent to a French Master 1.
- Students must be French-speaking (most of the teaching is in French), minimum level B2
